HTML5 | CSS3 | JavaScript | React | Redux | Chakra UI | Material UI | Tailwind CSS | TypeScript | NEXT.js | Node.js | Express .js | MongoDB | Data Structures and Algorithims

SOFT SKILLS

Team Collaboration | Remote Work | Time Management | Communication | Problem Solving

PROFILE

Motivated and efficient Full-stack web developer with a history of education in Civil Engineering and an interest in coding. Working with MERN stack and programming languages like JavaScript catalyzed my curiosity for web development. Worked in collaborative environments demonstrating my coding and interpersonal skills to meet deadlines. Looking forward for some interesting and challenging opportunities
